

YOUR TIAA-CREF ENROLLMENT FORM

FIRST:

Make your contribution allocations

We have included information about the accounts or funds that you should refer to when you complete the “Plan Contribution Allocation Administrative Form.” The transfer and withdrawal restrictions of the accounts and funds differ and should be taken into consideration. You may change your allocation at any time.

Option A: Choose a TIAA-CREF Lifecycle Fund

Pick the Lifecycle Fund closest to your estimated year of retirement.

Option B: Build your own portfolio

Using whole numbers, choose the percentage you want to allocate to each account or fund. The three-digit account and fund numbers

and descriptions are provided with your enrollment form. Write the account or fund number and percentage allocated to each in the appropriate columns. If you are allocating to more than 10 accounts or funds, use a separate page and include your name and Social Security number on it. If your allocation is invalid in any way, your contributions will be automatically invested for you. Upon receiving clarification from you, we will apply all future contributions according to your instructions.

If you need help choosing an allocation, speak to a TIAA-CREF consultant at **800 TIAA-CREF (800 842-2273)** Monday to Friday from 8 a.m. to 10 p.m. (ET) and Saturday from 9 a.m. to 6 p.m. (ET).

THEN:

1 Provide your personal information

Be sure to provide all the information requested. If you do not have a Social Security number, please provide your taxpayer identification number.

Important information about procedures for opening a new account

To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions, including us, to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, Social Security number and other information that will allow us to identify you, such as your home telephone number. Until you provide the information we need, we may not be able to open an account or effect any transactions for you.

2 Designate your beneficiary(ies)

Your primary beneficiary(ies) will be paid any survivor benefit existing under the contract at your death. If there are no surviving primary beneficiaries, your contingent beneficiary(ies) will receive these benefits. If you are married, provisions under your employer's plan may require you to name your spouse as primary beneficiary for at least a portion of the benefit. Complete the “Waiver of Spouse's Right to Preretirement Death Benefits” if you have designated someone other than your spouse as primary beneficiary. You can call a consultant at **800 TIAA-CREF (800 842-2273)** for further information about choosing your beneficiaries.

3 Indicate any existing contracts

We are complying with a regulatory requirement in asking that you provide information on existing contracts.

4 Indicate your agreement by signing

▶ Obtain your spouse's signature (if applicable)

Under your employer's plan, your spouse has the right to a death benefit. If the plan is subject to the Employee Retirement Income Security Act (ERISA), your spouse is entitled to at least 50% of the death benefit specified by the plan. If the plan is not subject to ERISA, your spouse is entitled to the percentage stipulated by the plan. Your spouse must consent to any beneficiary designation that doesn't meet these requirements by signing the waiver at the end of your form in the presence of a Notary or Plan Representative. Generally, you can waive these rights only if you are at least age 35. If you are younger than 35 and want to name someone other than your spouse, please contact your benefits office for more information.

▶ Return your enrollment form

Return your enrollment form to your employer's benefits office. You may need to complete a salary reduction agreement with your employer.

Will these annuity contracts replace an existing annuity contract or life insurance policy from another company?

If so, from what company?

4 Indicate your agreement by signing

Your employer's plan may offer mutual funds as an investment choice in addition to the TIAA and CREF annuities.

The TIAA and CREF annuity contracts and amounts in any of the mutual funds do not provide for loans and cannot be assigned. Under federal law, distributions before age 59½ or before termination of employment may be prohibited, limited and/or subject to substantial tax penalties. Your ability to make withdrawals and transfers from the TIAA and CREF annuity contracts is subject to the terms of these contracts and may be limited. The TIAA annuity contract does not allow lump-sum cash withdrawals from the TIAA Traditional Annuity and transfers must be spread over a ten-year period. Transfers among the TIAA Real Estate Account, all CREF accounts and any of the mutual funds may be made in a lump sum.

The accumulations in and benefit payments from the CREF accounts, the TIAA Real Estate Account, and the mutual funds are *variable* and *not guaranteed*; they depend on the investment performance of these accounts.

Your beneficiary designation will apply to your TIAA and CREF annuity contracts and to the mutual fund accounts. Under your employer's plan, your spouse has the right to a death benefit. If the plan is subject to ERISA, your spouse is entitled to at least 50% of the death benefit specified by the plan. If the plan is not subject to ERISA, your spouse is entitled to the percentage stipulated by the plan. Your spouse must consent to any beneficiary designation that doesn't meet this requirement by completing the "Waiver of Spouse's Right to Pre-retirement Death Benefits."

I have read and acknowledge all provisions of this enrollment form.

Under penalties of perjury, you certify that the taxpayer identification number shown on this form is your correct Social Security number.

The Internal Revenue Service does not require your consent to any provision of this document.

A fraudulent insurance act is a crime, and penalties may include imprisonment, fines, denial of insurance and civil damages.

New Jersey residents, please note: Any person who includes any false or misleading information on an application for an insurance policy is subject to criminal and civil penalties.

Ohio residents, please note: Any person who, with intent to defraud or knowing that he is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

District of Columbia residents, please note: It is a crime to provide false or misleading information to an insurer for the purpose of defrauding the insurer or any other person. STATE OF MINNESOTA

IMPORTANT NOTICE REQUIRED BY MINNESOTA INSURANCE LAW

DEFINITION **REPLACEMENT** is any transaction where, in connection with the purchase of New Insurance or a New Annuity, you **LAPSE, SURRENDER, CONVERT to Paid-up Insurance, Place on Extended Term, or BORROW** all or part of the policy loan values on an existing insurance policy or an annuity. (See reverse side for **DEFINITIONS.**)

IF YOU INTEND TO REPLACE COVERAGE In connection with the purchase of this insurance or annuity, if you have **REPLACED** or intend to **REPLACE** your present life insurance coverage or annuity(ies), you should be certain that you understand all the relevant factors involved.

You should **BE AWARE** that you may be required to provide Evidence of insurability and

- (1) Current law **DOES NOT REQUIRE** your present insurer(s) to **REFUND** any premiums.
- (2) It may be to your advantage to **OBTAIN INFORMATION** regarding your existing policies or annuity contracts from the insurer or agent from whom you purchased the policy or annuity contract.

CAUTION If after studying the information made available to you, you decide to replace your existing life insurance or annuity with our policy or annuity contract, you are urged not to take action to terminate or alter your existing coverage or annuity(ies) until after you have been issued the new policy or annuity contract, examined it and found it to be acceptable to you. If you should terminate or otherwise materially alter your existing coverage or annuity(ies) and fail to qualify for the life insurance for which you have applied, you may find yourself unable to purchase other life insurance or be able to purchase it only at substantially higher rates.

DEFINITIONS

PREMIUMS: Premiums are the payments you make in exchange for an insurance policy or annuity contract. They are unlike deposits in a savings or investment program, because if you drop the policy or contract, you might get back less than you paid in.

CASH SURRENDER VALUE: This is the amount of money you can get in cash if you surrender your life insurance policy or annuity. If there is a policy loan, the cash surrender value is the difference between the cash value printed in the policy and the loan value. Not all policies have cash surrender values.

LAPSE: A life insurance policy may lapse when you do not pay the premiums within the grace period. If you had a cash surrender value, the insurer might change your policy to as much extended term insurance or paid-up insurance as the cash surrender value will buy. Sometimes the policy lets the insurer borrow from the cash surrender value to pay the premiums.

SURRENDER: You surrender a life insurance policy when you either let it lapse or tell the company you want to drop it. Whenever a policy has a cash surrender value, you can get it in cash if you return the policy to the company with a written request. Most insurers will also let you exchange the cash value of the policy for paid-up or extended term insurance.

CONVERT TO PAID-UP INSURANCE: This means you use your cash surrender value to change your insurance to a paid-up policy with the same insurer. The death benefit generally will be lower than under the old policy, but you will not have to pay any more premiums.

PLACE ON EXTENDED TERM: This means you use your cash surrender value to change your insurance to term insurance with the same insurer. In this case, the net death benefit will be the same as before. However, you will only be covered for a specified period of time stated in the policy.

BORROW POLICY LOAN VALUES: If your life insurance policy has a cash surrender value, you can almost always borrow all or part of it from the insurer. Interest will be charged according to the terms of the policy, and if the loan with unpaid interest ever exceeds the cash surrender value, your policy will be surrendered. If you die, the amount of the loan and any unpaid interest due will be subtracted from the death benefits.
